BILL NUMBER: SB 433

NOTE PREPARED: Jan 15, 2003

BILL AMENDED:

SUBJECT: Appraisal Fraud Funding.

FIRST AUTHOR: Sen. Merritt

FIRST SPONSOR:

BILL STATUS: As Introduced

FUNDS AFFECTED: **GENERAL**
 X DEDICATED
 FEDERAL

IMPACT: State

Summary of Legislation: This bill requires the Real Estate Appraiser Licensure and Certification Board to recommend a new fee to be imposed upon licensed or certified appraisers to fund the investigation by the attorney general of appraisal fraud. The bill also establishes the Investigative Fund.

Effective Date: July 1, 2003.

Explanation of State Expenditures: This bill would require the Attorney General to investigate appraisal fraud using resources from the Investigative Fund, which this bill establishes. The Real Estate Appraiser Certification Board (Board) would be required to submit recommendations to the Real Estate Commission (Commission) regarding the annual fee and rules to be established for the Investigative Fund. The bill would also require the Attorney General to hire additional staff, approved by the Board, to carry out the investigations. Additional staff hired by the Attorney General to investigate appraisal fraud may be paid from the Fund.

If additional meetings are required of the Board or Commission, additional expenses for mileage and per diem would be incurred. The cost for one meeting of the Board is \$710 and the cost for one meeting of the Commission is \$1,160, if all members attend.

Explanation of State Revenues: This bill establishes the Investigative Fund for the purpose of investigating appraisal fraud. The Fund is to be administered by the Attorney General, and expenses of the Fund shall be paid from the Fund. Revenue from an annual fee imposed upon licensed or certified appraisers and educational providers will be deposited in the Fund. Only money in the Fund that exceeds \$500,000 after payment of claims and expenses may revert to the State General Fund at the end of the fiscal year, and it is

continually appropriated to the Attorney General for use in conducting investigations of appraisal fraud.

According to the Professional Licensing Agency, there were about 2,000 licensed or certified appraisers and about 1,000 appraiser trainees as of October 2002. It is provided in statute that a fee established by the Real Estate Commission may not be less than \$50. Assuming that 3,000 appraisers would pay an additional \$50 fee, approximately \$150,000 of additional revenue to the Commission would be deposited in the Investigative Fund.

Background - The Real Estate Commission received approximately \$185,000 in fee revenue from appraiser licensure and certification in FY 2002. Currently, appraisers are charged \$100 for a license issued in an even year, or \$75 for one issued in an odd year. Appraisers pay \$100 to renew a license
